ALBUM REVIEWS- "PENNY FOR YOUR SINS"

"Penny for Your Sins," released in April 2023, remains one of the best new rock sounds I have heard since Pretty Reckless put out "Death by Rock n' Roll."!!!!

10/10

<https://rockthejointmagazine.com/>

Now the top of my 2023 albums of the year list!"

"Every track has a melody of monstrous proportions , some of the hooks you could land a killer whale on!" 10/10

B A Martin: POWERPLAY MAGAZINE

A hugely enjoyable album throughout and one that makes you want to experience its contents brought to life on stage' 5/5

Sophie James : <https://www.metaltalk.net/>

"When the New Wave is actually, in many ways,better than the original wave - Placing themselves firmly near the very front of the current pack is Black Roze with their outstanding sophomore effort, "Penny For Your Sins. " 5/5
